Church Improvement Works

We're delighted to have approval for our church improvements, subject to finance. We're around 910 years old! What better way to celebrate than by improving our welcome facilities and allowing space for new uses of the beautiful building? We plan to make our welcome area accessible for all. The works will be phased, with the WC, kitchen, servery, vestry and flexible space undertaken first. Visit the website for more details. Thanks to pledges from the Friends, grants from Parish Council and HCC, and some church funds, we are nearly at 50% of funds required to approach grant funding bodies.

Can you help us to raise the final £1,750 needed to reach our first goal of £48,000?

If you can help, complete the form below and return it to the Vicarage, 4 Bury Lane, Codicote SG4 8XT, the form is also available on the website.

Yes, I'd like to give £ for Our Church Build.
